

**Caution!**

Due to safety reasons pay attention to the course of existing, also non-visible cables, wires and other components which are situated in the installation area!

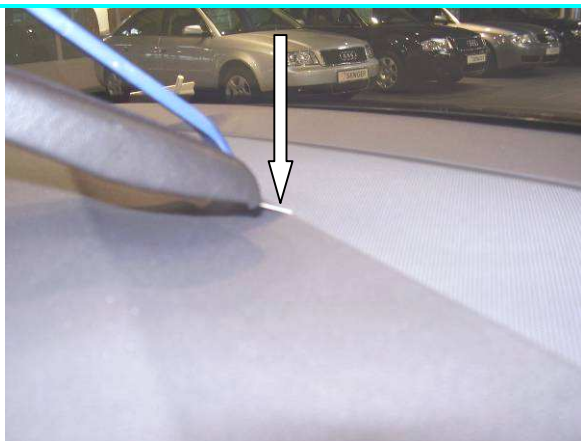

The console and the components are to be installed in such a way that for the passengers no dangers of injury (i.e. by sharp edges) develop.

**Illustration 1:**

- Slightly lift the cover plate with a flat object (e.g. plastic wedge).

**Illustration 2:**

- Place the console on the dashboard as shown.
- Hook in the laminate tab above the multifunction display.

**Illustration 3:**

- Push the sheet metal of the console (see arrow) under the cover plate.
- Push in the cover plate.
