

**Caution!**

Due to safety reasons pay attention to the course of existing, also non-visible cables, wires and other components which are situated in the installation area!

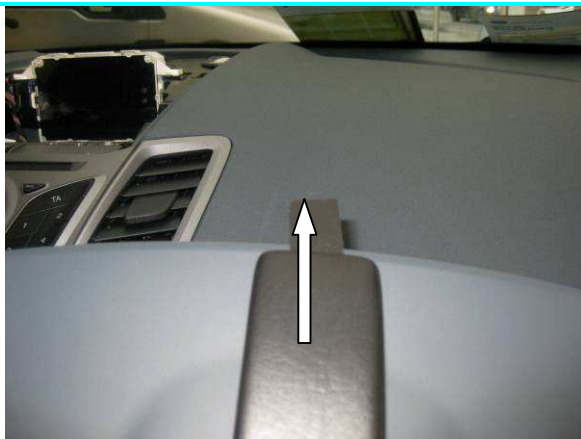

The console and the components are to be installed in such a way that for the passengers no dangers of injury (i.e. by sharp edges) develop.

**Illustration 1:**

- Lift the lining on the upper side of the dashboard with a flat object (e. g. plastic wedge).

**Illustration 2:**

- Attach the console as shown.

**Illustration 3:**

- Bend the sheet metal of the console (see arrow) behind the lining.
