

**Caution!**

Due to safety reasons pay attention to the course of existing, also non-visible cables, wires and other components which are situated in the installation area!

The console and the components are to be installed in such a way that for the passengers no dangers of injury (i.e. by sharp edges) develop.

**Illustration 1:**

- Remove the sensor. Entfernen Sie den Sensor.
- Separate the cable connection of the sensor by pulling the plug.
- Unscrew the original screw (see arrow).

**Illustration 2:**

- Remove the upper lining.

**Illustration 3:**

- Place the console onto the lining as shown.
- Bend the two sheet metals of the console around the lining to the inner side.
