

**Caution!**

Due to safety reasons pay attention to the course of existing, also non-visible cables, wires and other components which are situated in the installation area!

The console and the components are to be installed in such a way that for the passengers no dangers of injury (i.e. by sharp edges) develop.

**Illustration 1:**

- Attach the console as shown.
- Press the front sheet metal of the console (see arrow) into the dashboard gap.

**Illustration 2:**

- Press the rear sheet metal of the console into the gap of the defroster nozzle (see arrow).

**Illustration 3:**

- Built-in console.
