Caution!

Due to safety reasons pay attention to the course of existing, also non-visible cables, wires and other components which are situated in the installation area!

The console and the components are to be installed in such a way that for the passengers no dangers of injury (i.e. by sharp edges) develop.

Illustration 1:

Unscrew the original screws (see arrows) and put aside.

Illustration 2:

Lift the lining and put aside.

Illustration 3:

- Attach the console as shown.
- Press the front sheet metal of the console (see arrow) into the gap of the defroster nozzle and the dashboard.
