

**Caution!**

Due to safety reasons pay attention to the course of existing, also non-visible cables, wires and other components which are situated in the installation area!

The console and the components are to be installed in such a way that for the passengers no dangers of injury (i.e. by sharp edges) develop.

**Illustration 1:**

- Lift the storage tray with a flat object.

**Illustration 2:**

- Place the console into the storage tray.

**Illustration 3:**

- Fasten the console with the two supplied self-tapping screws through the plastic (see arrows).
