# Caution!

Due to safety reasons pay attention to the course of existing, also non-visible cables, wires and other components which are situated in the installation area!

The console and the components are to be installed in such a way that for the passengers no dangers of injury (i.e. by sharp edges) develop.

#### Illustration 1:

- > Attach the console as shown.
- Press the front sheet metal of the console (see arrow) into the dashboard gap.

#### **Illustration 2:**

Press the rear sheet metal of the console into the gap near the defroster nozzle (see arrow).

#### **Illustration 3:**

Built-in console.
