

**Caution!**

Due to safety reasons pay attention to the course of existing, also non-visible cables, wires and other components which are situated in the installation area!

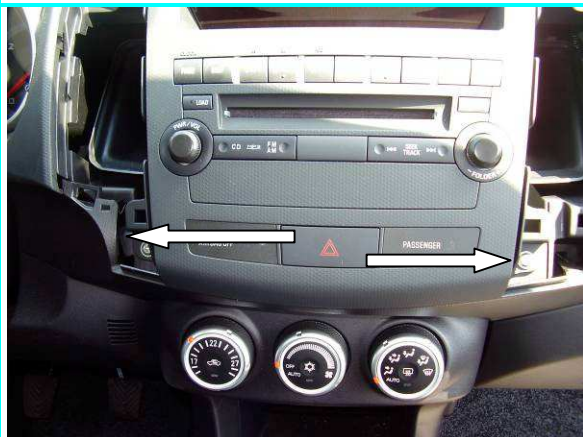

The console and the components are to be installed in such a way that for the passengers no dangers of injury (i.e. by sharp edges) develop.

**Illustration 1:**

- Carefully lift the air outlet nozzle on the **left** side of the radio with a flat object and put aside.

**Illustration 2:**

- Carefully lift the air outlet nozzle on the **right** side of the radio with a flat object and put aside.

**Illustration 3:**

- Unscrew the original screws (see arrows).
- Remove the radio unit and put aside.
