Due to safety reasons pay attention to the course of existing, also non-visible cables, wires and other components which are situated in the installation area!

The console and the components are to be installed in such a way that for the passengers no dangers of injury (i.e. by sharp edges) develop.

Item-

No.:

#### Illustration 1:

Carefull lift the lining for about 0,5 cm with a flat object.

#### **Illustration 2:**

Carefully lift the lining for about 0,5 cm with a flat object.

Attach the console as shown so that the front sheet metal of the console (see arrow) is pushed under the lining.
